Pet Needs!

PET TIP! Visitors can upset your pets. Some pets are shy or excitable around new people or in crowds, and Thanksgiving often means many visitors at once and higher-than-usual noise and activity levels. If you know your dog or cat is nervous when people visit your home, put him/her in another room or a crate with a favorite toy. This will reduce the emotional stress on your pet and protect your guests from possible injury. If your pet is particularly upset by house guests, talk to your veterinarian about possible solutions to this common problem.
